

Hear Clearly with *EzPro C5630/C5626* Big Button Amplified Cordless Speakerphone

Don't let hearing loss compromise your independence! Our premium **EzPro**-line telephones are proof that advanced amplified sound technology can be easy to use.

It's easy to place. **EzPro** can be easily set up for wall, desk or bedside use.

It's easy to use. **EzPro** has big buttons and without confusing features.

It's professional. **EzPro** uses a sophisticated frequency-based approach to give you clear, comfortable amplification only where it's most helpful.

It's a cut above the rest. The **EzPro** speakerphone is *the most powerful* among all cordless handsets. It is even louder than most corded desktop speakerphones.
